Career

ALREADY ON THE UNIVERSITY CAMPUS FROM DAY ONE

* Not all Griffith University bachelor degrees are available for study in Trimester 3.

Upon completion of her Griffith College program, Stephanie Symes is hoping to commence a Bachelor of Science and to one day work in evolutionary genetics.

'I decided to study at Griffith College because I'd heard a lot of positive things from friends and I wanted a supportive environment to start my tertiary career. Each of the teachers went above and beyond to assist with our studies and prepare us for the next step.'

Stephanie lives in a share-house very close to the university, which makes it easy to come to class as well as participate in extra-curricular activities on campus.

'There's a range of activities across both the Mt Gravatt and Nathan campuses. Last semester I was able to join social sport with Griffith and join in with activity fairs run by both Griffith College and Griffith University.'

Stephanie is using her time at Griffith College as a way to acclimatise to higher education before she starts her bachelor degree.

'I highly recommend Griffith College as a launch pad for your further study.'

Stephanie Symes

'The teachers and staff at Griffith College really want us to pass and will go out of their way to ensure that we reach our goals.'

Why choose Griffith?

Griffith University gives you more than just a degree. Griffith's innovative and practical approach to learning ensures you will graduate job ready with the skills and contacts you need to succeed in your field.

Ranked among the world's best

Griffith ranks among the world's best universities. We continue to improve our international standing, and in five of the largest and most credible world university rankings, we're ranked in the top 400 – placing us in the top 3% worldwide.

- Times HE World University Rankings: 251–300
- CWTS Leiden Ranking: 323
- QS World University Rankings: 329
- Academic Ranking of World Universities (ARWU): 361
- University Ranking by Academic Performance (URAP): 382

Griffith is the second highest ranked South East Queensland university in the prestigious ARWU listing.

200+ degrees in 10 broad study areas

For 40 years, Griffith has pioneered cutting-edge, forward thinking degrees in diverse study areas. Griffith was the first university in Australia to introduce degrees in globally significant fields such as Asian studies and environmental studies.

Support services to help you succeed

As a full-degree student you will have access to free support services including the Griffith international advisers, Griffith Mates student mentors, careers and employment advice, and computer and academic workshops.

Leaders in global student mobility

In your bachelor degree, you can spend from one week to one year at a partner university, or participate in a short term program and add an international experience to your resume.

Gain work experience while you study

You can enrol in a community internship through work-integrated learning options or sign up for the University's Industry Mentoring Program to create networks and gain insights in to your industry.

Australia's top teachers

In recognition of their commitment to their students and their expert knowledge, Griffith teachers feature prominently in Australia's national teaching awards and citations.

Griffith is the leading university in Australia for citations and fellowships from the Australian Government's Office of Learning and Teaching.

Pathways to Griffith University

As a Griffith College graduate, you'll have an internationally recognised, tertiary-level qualification and be prepared for entry into the second year of a Griffith University degree.

As a Griffith College student you can benefit from:

- the expertise and guidance from our teachers, many of whom have completed a research degree and lecture at Griffith University
- access to Griffith University facilities including libraries, sporting facilities and employment services
- small class sizes, typically with a maximum of 50 students in each lecture and 25 students in each tutorial, to ensure you receive individual attention from your teachers.

Program schedule

Griffith College operates three trimesters each year with intakes in February, June and October.

Diploma programs consist of eight courses studied over two or three trimesters with part-time study options available. The Foundation program consists of eight courses studied full-time over two trimesters.

Mode of study

Griffith College students study on-campus and will attend a combination of lectures, tutorials, laboratory sessions, group work and other practical activities, depending on the field of study.

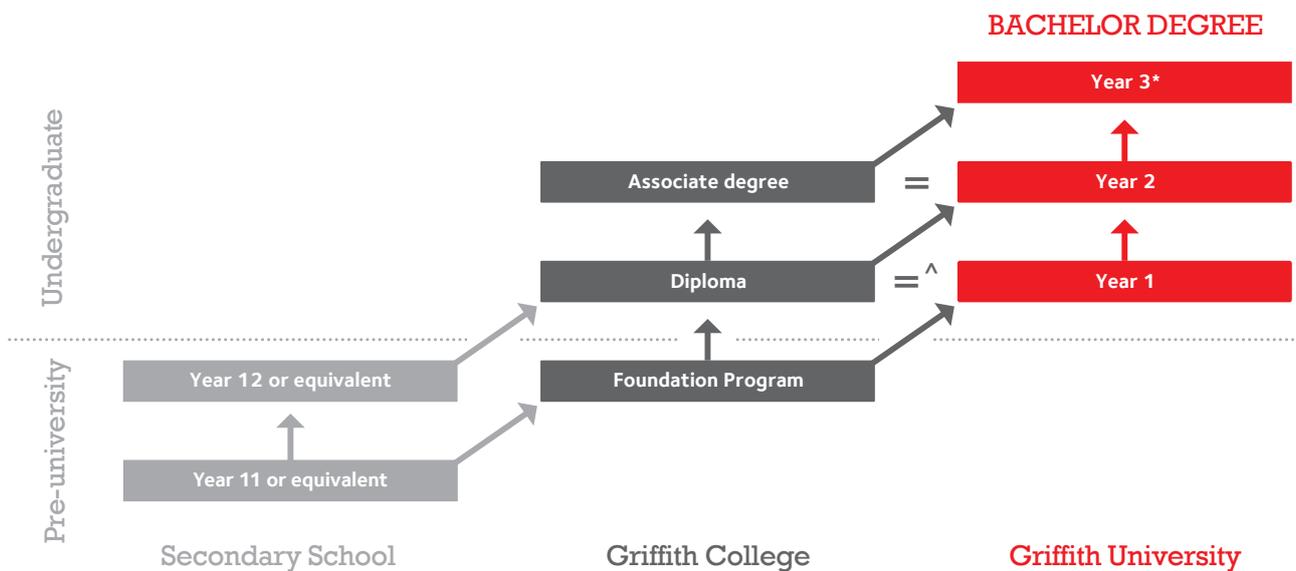

On-campus learning means students are required to attend the contact hours specified for each course which is generally four hours per course per week and could be more in some programs.

Many of our teaching staff maintain industry links or run their own businesses, which influences our teaching and keeps our courses industry-relevant.

Pathway to Griffith University

*Some bachelor degree programs are more than three years duration.

^One year of credit may not be wholly applicable to the first year of the relevant bachelor's degree. Refer to program specific information pages.

Our campuses

As a Griffith College student, you are so close to Griffith University you are already there.

Griffith College is located on Griffith University's Mt Gravatt and Gold Coast campuses.

Mt Gravatt

With a tranquil bush location in the middle of Toohey Forest and panoramic views of Brisbane City, Mt Gravatt campus is the hub for Griffith University's programs focusing on social issues including criminology, education and psychology. The recently upgraded Aquatic and Fitness Centre on the campus features a heated pool, indoor and outdoor recreation areas, and a fully equipped fitness centre (co-located with a 16-court tennis centre, a training oval, and basketball and netball courts) creating a world-class health and fitness hub for students.

Getting to Mt Gravatt campus

Public transport

The Griffith University Busway is located conveniently at the Mt Gravatt campus connecting students to the city and the rest of the Brisbane transport network.

Car

Mt Gravatt campus is a 15-minute drive from the Brisbane CBD and a 10-minute drive from Garden City shopping centre.

Gold Coast

Griffith's Gold Coast campus is the largest of five campuses and boasts state-of-the-art teaching and learning facilities. Located just minutes from the beach, the campus offers a dynamic and exciting student lifestyle, with beach volleyball, indoor soccer, basketball and tennis facilities as well as a gym and fitness centre and an Olympic standard athletics track.

Getting to the Gold Coast campus

Public transport

With two light rail stops, the campus is easily accessible from the heart of the Gold Coast.

You can reach the Gold Coast campus by bus, G:link light rail or train. Bus connections run between Robina Station, Helensvale Station and Griffith. G:link light rail runs from the Gold Coast University Hospital to Southport in 11 minutes and to Cavill Avenue in 25 minutes.

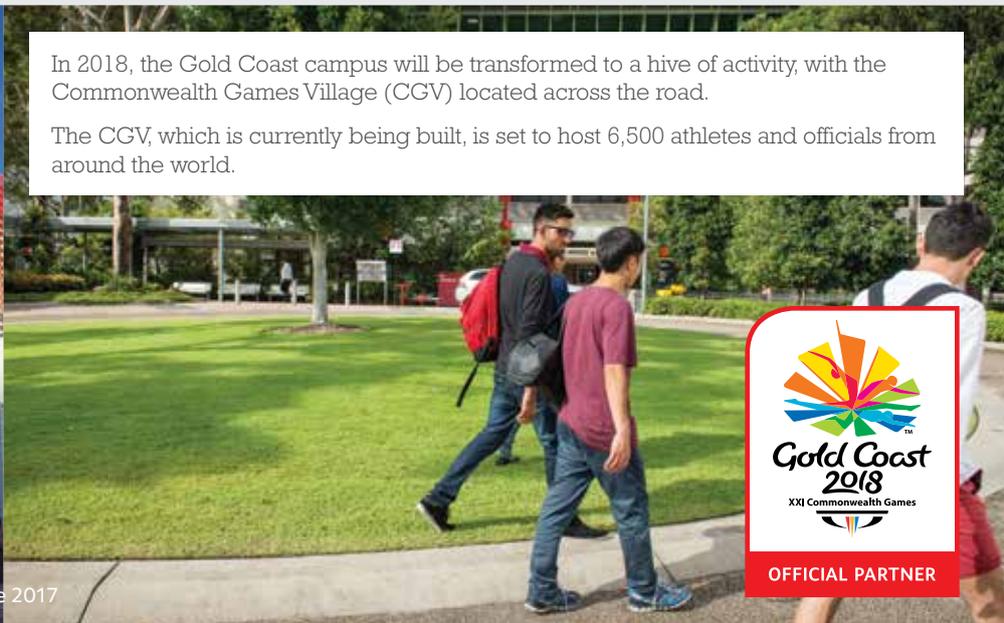

Helensvale is the closest train station, and is approximately 15 minutes by car or 20 minutes by bus from the Gold Coast campus. Trains to Brisbane and Robina can be boarded at this station.

Car

The Gold Coast campus is a 10-minute drive from Southport, the centre of the Gold Coast, and a 45-minute drive from Brisbane.

In 2018, the Gold Coast campus will be transformed to a hive of activity, with the Commonwealth Games Village (CGV) located across the road.

The CGV, which is currently being built, is set to host 6,500 athletes and officials from around the world.

Life on campus

Griffith College will support you on your journey to becoming an independent learner.

A range of support services and programs are available to ensure you achieve your academic potential while developing personally and maintaining a balanced lifestyle. These services are available to all students and are provided at no additional cost.

Arrival

Orientation and enrolment

Your orientation program will provide all the information you need to settle in at Griffith College as quickly as possible so attendance is compulsory.

It is also a really fun way to get to know your classmates and look around the campus. Visit griffith.edu.au/college/preparing-for-study/orientation

Life

Clubs and societies

Griffith University has over 120 clubs in cultural, religious, political, educational, sporting, professional and special interest areas. The College also runs extra-curricular programs each week, so there is always something happening on campus, from free movie nights to social sports matches. Visit griffith.edu.au/clubs

Disability support

If you have a disability you can access support from our student advisors. Please contact us before you arrive at Griffith College so we can make your time here as enjoyable as possible. Email griffithcollege@navitas.com

Food

Learn

Academic and welfare guidance

Assistance is never far away. The College offers a free and confidential welfare and counselling service to all students. Student advisors are also available to assist with your academic progress.

Peer Mentor program

Current students, just like you, who understand what you are feeling can help you to adjust to life and study at Griffith College.

Transition to Griffith University

Every trimester we hold a graduation ceremony for students who successfully complete their foundation, diploma and associate degree programs at Griffith College. We also hold information sessions to help students with their progression to their degree program at Griffith University.

Ramona Petrilla is currently studying the Diploma of Hotel Management at Griffith College. Upon graduation she hopes to move to the Gold Coast to continue her hospitality studies in the Bachelor of International Tourism and Hotel Management. 'With this degree I hope to become a hotel manager on the Gold Coast, and maybe work overseas in other hotels as well.'

'I decided to study at Griffith College because I felt that it would offer a great foundation for my education. I am also using the experience I am gaining in studying my diploma to help direct my choice of bachelor degree. Studying at Griffith College has given me a glimpse of university life and has helped to prepare me for my undergraduate studies.'

'I am very pleased with the teaching at Griffith College and feel that I am now prepared for further study at university. The teachers are wonderful and supportive. They care about the welfare of the students and the understanding the students have about the course.'

Find the right program for you

Griffith College offers programs of study at three levels—all progressing to Griffith University with differing amounts of credit.

Foundation

The Foundation program provides a bridge between secondary school and undergraduate studies. Graduates can enter the first year of a broad range of bachelor degrees or progress to a diploma to bachelor pathway with up to a year of credit.

Diploma

Diploma programs offer students a springboard into the second year of a Griffith University degree. Students complete the first year of select degrees in a supportive and personalised learning environment, ensuring that upon completion, they are well equipped for university study.

Associate degree

The Associate Degree in Commerce and Business is a two-year program designed to progress students to the third year of select Griffith University commerce and business bachelor degrees with up to 2 years of credit. It also accommodates students who may not meet the grade point average requirements to progress from the Diploma of Commerce or the Diploma of Hotel Management into Griffith University.

Foundation Program

About this program

Griffith College's Foundation Program is equivalent to Year 12 (senior high school) and provides a bridge between secondary school and undergraduate studies. This program has been designed to adequately prepare you for

entry to university-level programs in the fields of Arts, Business, Commerce, Design, Engineering, Health, Hotel Management, Information Technology (IT) and Science.

1. Select your program

Explore your options using this guide and the program information on the website griffithcollege.edu.au

2. Check the assumed knowledge for your program and any additional requirements

Some programs require an audition or portfolio for entry. Make sure you prepare these for your application.

What is assumed knowledge?

This is the necessary knowledge that we assume you have in order to satisfy the requirements for entry to the diploma.

Can I still apply if I don't have the assumed knowledge?

Yes, you can still study the diploma and Griffith College offers free bridging subjects that you can study alongside your diploma courses.

What are bridging subjects?

Bridging subjects are available to you if you do not have the assumed knowledge for your program. Griffith College offers the following bridging subjects:

- English
- Maths
- Science.

These subjects are free to Australian students in addition to the diploma courses to make sure you don't experience difficulty with some aspects of the program.

griffith.edu.au/college/apply/bridging-subjects

3. Prepare your application

Australian and New Zealand citizens and permanent residents of Australia should apply through the Queensland Tertiary Admissions Centre (QTAC). When applying for a program via QTAC, you will need to use a QTAC code when referring to your chosen program. These are listed against each program and degree in this guide. Lodge your application online by 30 September and avoid the late fee. For further information and to lodge your application online. Visit qtac.edu.au

If you are a mature aged applicant who may or may not have finished high school, you can apply anytime directly to Griffith College and provide evidence of life and work experience online at griffithcollege.edu.au

4. Find out about study costs and financial assistance

The program costs are listed with each diploma in this guide and up-to-date fees are also published on the website griffithcollege.edu.au

Griffith College is a recognised Higher Education Provider (HEP) and allows eligible students to access the FEE-HELP loan scheme. This scheme allows students to borrow all or part of their tuition fees. For more information visit studyassist.gov.au

5. Accept your offer and enrol

QTAC offers are generally released in mid-January. We recommend that you accept your offer and enrol as soon as possible to secure your place. This will also allow you to build your timetable and confirm your booklist.

That's it—you're in! We will contact you before the trimester starts to give you information about orientation.

Declaration and signature

I declare the information I have supplied on this form is, to the best of my understanding and belief, complete and correct. I understand that giving false or incomplete information may lead to my application being refused or my enrolment cancelled. I have read and understood the relevant program information in this brochure and/or on the Griffith College website and I have sufficient information about Griffith College to enrol. I understand that the pathway may lead to future studies at Griffith University, subject to Griffith University's entry requirements. I understand that if I have applied through an approved Griffith College or Griffith University agent, all correspondence relating to my application will be forwarded to that agent. I understand that Griffith College fees may increase.

I accept liability for payment of all fees as explained in the Griffith College brochure, and I agree to abide by the Refund Policy. I have understood and I accept the Conditions of Enrolment.

I understand that Griffith College may, by written notice, vary its conditions as may be necessary to comply with any law or regulation, or amendment of any law or regulation, of the Commonwealth of Australia or the State of Queensland.

I give permission for Griffith College and Griffith University to obtain official records from an educational institution attended by me, and to supply my contact details and any relevant official records to educational institutions I am eligible to gain admission to. I authorise Griffith College to provide my personal information, including my contact details and enrolment details, to third parties in accordance with Griffith College's Privacy Policy. These third parties

include Griffith College representatives (agents) acting on my behalf; Griffith University (to facilitate progression from Griffith College to the next stage of my studies); and Navitas Limited and its affiliates (to communicate regarding pathways and services offered by Navitas Limited and its related companies). In the event of any suspected breach of my student visa conditions, I authorise Griffith College to provide my personal information, including my contact details and enrolment details, to the Australian Government's designated authorities, the Tuition Assurance Scheme and the ESOS Assurance Fund Manager. I understand that any conditions concerning an offer of admission will be contained in my letter of offer from Griffith College, which I will be required to read and sign.

Privacy Statement

Griffith College collects, stores and uses personal information only for the purposes of administering student and prospective student admissions, enrolment, education and articulation to Griffith University, including disclosure to Griffith College representatives (agents) acting on my behalf; Griffith University (to facilitate progression from Griffith College to the next stage of my studies); and Navitas Limited and its affiliates (to communicate regarding pathways and services offered by Navitas Limited and its related companies), my OSHC provider (to facilitate membership and maintain cover), the Australian Government's designated authorities and the Tuition Protection Scheme Director.
